

HTC announces our first OnLine Directory.

We are proud to announce the HTC directory has gone green!

We will no longer circulate a hardcopy directory but have added a "Directory" section to our web site. The directory has a search engine where you can filter for individuals, companies, or types of companies.

As with the past hardcopy directory, we are selling sponsorships/advertisements for the web site and HTC email announcements. This is a chance to get your company's name and logo out to hundreds of transportation professionals. Remember the club is focused on providing scholarships to students pursuing a career in the local transportation industry.

Listed below are the different levels of sponsorship the club is offering:

Level 1 Your company logo on the HTC directory page of the web site - \$250/year

Level 2 Your company logo on the HTC web site home page - \$500/year

Level 3 Your company logo on all HTC emails - \$750/year (multiple emails per week)

Level 4 All of the above - \$1,250/year...\$1,500 value!

You can visit the new HTC web site at www.htc.org to view samples of the company logos on the home page and on the directory page.

For details eMail Steve Atherton at Steven.atherton@chrobinson.com or call 949-241-5673.

Or click on [OnLine Directory](#) to purchase your space.
